

Dear WDL Client:

**Effective August 11, 2021**, SARS-COV-2 (COVID-19) tests performed at Wisconsin Diagnostic Laboratories with a result of “detected” will no longer be called directly to the client.

Test results are made available immediately through the WDL Lifepoint portal. Clients who are not yet set up on Lifepoint will receive results through their established reporting method.

If you have any questions, please feel free to contact me.
