

Allergy Panels & Result Reporting

EFFECTIVE JANUARY 9, 2019

ALLERGY TEST PANEL & RESULT REPORTING UPDATES

Effective January 9, 2019, Wisconsin Diagnostic Laboratories (WDL) will be updating our Allergy Test Panel offerings. New and revised panels will provide more efficient test ordering, as well as relevant testing within the specific panels. **Please note: There will no longer be a Class Score provided with each individual allergen, the Class Score Interpretation will be provided once on each report.**

The following panels **will be available**:

Test Name	Mnemonic	Test Code	CPT Code(s)
Shell Fish Allergen Panel (IgE)	R SHELLFISH	3555790	86003x7
Peanut Components Allergen Panel (IgE)	PEANUT PN	3555780	86003, 86008x5
Pediatric Food/Inhalants Allergen Profile	PED PAN 2	3554964	86003x11
Inhalants/Food Allergen Profile	R INHFOOD	3553002	86003x13
Respiratory Allergen Panel, Region 8 Central Midwest (IL, MO, IA) • Includes IgE, Total	REGION8	3554962	86003x29, 82785

The following panels **will have changes** to the reported allergen components:

Test Name	Mnemonic	Test Code	CPT Code(s)
Respiratory Allergen Panel, Region 7 Northern Midwest (MI, WI, MN) • Includes IgE, Total • Formerly ordered as R NCP (Allergy, North Central Plains Panel)	REGION7	3554963	86003x27, 82785
Adult Food Allergen Profile	R ADUFOOD	3554952	86003x11, 82785
Pediatric Food Allergen Profile	R PEDFOOD	3554955	86003x5

Please note, allergens can be ordered individually.

Please refer to the WDL Test Directory at <https://www.testmenu.com/wisconsinidiagnostic> for a complete list of components within each panel.
